

DRAFT Last Update: 6/18/2010

CONFERENCE MATRIX - DAY 1, August 10, 2010 (Tuesday)								
7:15 - 8:00	Registration							
8:00 - 8:15								
8:15 - 9:15	Keynote Speaker: Inga Morozoff							
	MicroStation	Civil	Building	Collaboration / Publishing / Plotting	USACE	Potpourri	Workshop 1	Workshop 2
9:30 - 10:30	V8i Select Series Update	V8i Civil Update	Bentley Architecture V8i Update	Discover the new value in ProjectWise V8i	Geospatial Overview	Design Review for Models	Integrating Civil Design, Mapping and Geospatial Data	Customizing the MicroStation V8i User Interface - Tim Grimm (LMN Architects)
Instructor	Bentley	Bentley	Bentley	Bentley	Steve Hutsell - USACE Seattle	Jim Smith - Burns & McDonnell		
10:30 - 10:45	BREAK							
10:45 - 11:45	Annotation Scale: What are you Waiting For?	Site Modeler	Building Views – Design to Documentation	Discover the new value in ProjectWise InterPlot V8i	ProjectWise Geospatial usage in USACE	Altiva - CAD Conform		
Instructor	Greg Roberts - HNTB	Dan Wright - TranSystems	Tim Grimm - LMN Architects	Bentley	Laurence Lin - USACE Portland	Marie Franklin - Altiva		
11:45 - 1:00	Lunch Time							
1:00 - 2:00	Task Based Interfaces	Roadway Designer overview	Structural Modeler V8i Update	Supporting Change Management through Dynamic Review	USACE BIM Execution and Configuration FAQ	Sheet Composition in V8i	Geopak Site	MicroStation V8i (SELECT Series 1) User Update - Rod Wing (Envision Group, Inc.)
Instructor	David Haskin - Burns & McDonnell	Kevin O'Connor	Bentley	Bentley	Van Woods - USACE Seattle	Mike Hancock - HNTB		
2:00 - 2:15	BREAK							
2:15 - 3:15	Geo-Coordination and Google Earth	ProjectWise Navigator for Civil Engineering Data	Revit and Bentley Workflows	Quick Project set access with ProjectWise Geospatial	BIM to PDF: USACE Project Delivery	Batch Processing/Batch Conversion		
Instructor	Jack Riley - HNTB	Scott Urbas - HNTB	Bentley	Bentley	Steve Hutsell - USACE Seattle	TBD		
3:15 - 3:30	BREAK							
3:30 - 4:30	Efficient Drawing Management Using Dynamic Views	Data Acquisition Tool	Space Planning and Spaces	Print Organizer	USACE/Kansas City District BIM Implementation	Bentley Map Overview		
Instructor	Bentley	Bentley	Shawn Foster - Jacobs	Nathan Good - HNTB	Bob Riley - USACE Kansas City	Rod Wing - Envision Group, Inc.		

DRAFT Last Update: 6/18/2010

CONFERENCE MATRIX - DAY 2, August 11, 2010 (Wednesday)										
7:30 - 8:15	Registration									
	MicroStation	Civil	Building	Management	Vendors	Potpourri	Workshop 1	Workshop 2		
8:15 - 9:15	DWG's in MicroStation	Intersection Design with Roadway Designer	Bentley Building Mechanical and Electrical Systems Update	Upgrading to MicroStation V8i	Reserved for Vendor Presentation	USACE Attachment F BIM Contract Language	GEOPAK V8i Update	Building a MicroStation V8i Workspace		
Instructor	Nigel Davies	Mark Lemieux - HNTB	Bentley	Kirk Reh - Connect Integration	TBD	Steve Hutseil - USACE Seattle				
9:15 - 9:30	BREAK									
9:30 - 10:30	AccuDraw	Civil Visualization	ISM	KDOT Standards	Reserved for Vendor Presentation	Visualize Context with Point Clouds in MicroStation				
Instructor	Miguel Cepeda - Burns & McDonnell	Bentley	Santanu Das - Bentley	Mark Segelquist - KDOT	TBD	Bentley				
10:30 - 10:45	BREAK									
10:45 - 11:45	Working in 3D - Workflows	Civil Geometry	Dataset Structure and Project Creation	Large project workflow with ProjectWise and Revit	Reserved for Vendor Presentation	Descartes V8i Overview	Roadway Designer	Working with Dynamic Views for Drawing Composition		
Instructor	Bentley	Frank Nelson - Burns & McDonnell	Nigel Davies	Mark Hattersley - Bentley	TBD	TBD				
11:45 - 1:00	Lunch Time									
1:00 - 2:00	Luxology Rendering	Roundabout Design	Clash Detection	Managing MicroStation Printing	Reserved for Vendor Presentation	Managed Workspaces	Roadway Designer	Working with Dynamic Views for Drawing Composition		
Instructor	Kristi Patterson - TVS Design	Bentley	Shawn Foster - Jacobs	David Haskin - Burns & McDonnell	TBD	Kevin Van Haaren - HNTB				
2:00 - 2:15	BREAK									
2:15 - 3:15	Tips and Tricks	Drainage	Parametric Cell Studio from a User point of view	CAD Management Roundtable	Reserved for Vendor Presentation	MoDOT Roadway Designer	Roadway Designer	Working with Dynamic Views for Drawing Composition		
Instructor	Shawn Foster - Jacobs	Dan Calistrat - DTM Solutions	Lauren Collier - SSOE		TBD	Dave Horner - Bentley				
3:15 - 3:30	BREAK									
3:30 - 4:30	Elections, Game & Giveaways									
Instructor	Kirk Reh									
4:30
